RESOURCE GUIDE

The Southern Nevada Health District created this resource guide to help connect you with programs and services that support your health and well-being. In this guide, you will find information on resources such as housing, food, transportation, and health care.

For more information on health education resources, tips, and information, please visit our www.getthehealthyclarkcounty.org webpage.

Please be advised, as agencies change information, the guide might not always reflect the most updated contact information.
