

2019 Advocacy Resources

Bill Tracking:

- [Nevada Legislature Personalized Legislative Tracking \(PLT\)](#): PLT allows you to subscribe to BDRs, bills, and budgets that are of interest to you and subsequently tag and create notes. You will also receive immediate notifications of hearings, a daily status notification, and have access to tailored, exportable reports for the subscriptions you have chosen to track. The service is free.
- [Children's Bill Tracking List](#): Tracking list of bills related to children's health, education, safety, economic well-being and other categories.
- **COMING SOON** – Public Health Bill Tracking: Tracking list of bills related to public health.
- [Nevada Legislature Calendar of Meetings](#): Daily Schedule of Legislative Committee Meetings and Floor Sessions

Who is My Legislator and How Do I Contact Them:

- [Who is my Legislator and what district do I live in:](#) Find out your Senate and Assembly Districts as well as who your representatives are.
- [Contact your Senator](#) : Contact information for your State Senator.
- [Contact your Assemblyperson](#) : Contact information for you State Assemblyperson.

Data and Information:

- [2019 Legislative Briefing Book](#): The 2019 Legislative Briefing Book is a collaboration between the Children's Advocacy Alliance and the Nevada Institute for Children's Research and Policy. The book provides a snapshot of the most pressing issues Nevada children and their families face. The briefing book is a compilation of statistics and policy recommendations intended to highlight areas in which state policy might have an impact, particularly around the areas of health, education, and safety.

- [Children’s Advocacy Alliance Children’s Report Card](#): The purpose of the report card is to provide a general understanding of how we, as a state, are taking care of our children. The data gathered in the report card assists with educating policymakers and the general public about efforts needed to improve services for children and families.
- [District Health Profiles – Assembly Districts](#): Developed by the Nevada Office of Public Health Informatics and Epidemiology, the profiles are specific to each Assembly district and provide data on key health topics.
- [District Health Profiles – Senate Districts](#): Developed by the Nevada Office of Public Health Informatics and Epidemiology, the profiles are specific to each Senate district and provide data on key health topics.
- [County Health Profiles](#): Developed by the Nevada Office of Public Health Informatics and Epidemiology, the profiles are specific to each county in Nevada and provide data on key health topics.
- [Healthy Southern Nevada](#): Southern Nevada Health District’s health data website.
- [Partners for a Healthy Nevada Advocacy Resources Webpage](#): Links to all listed advocacy resources as including the PHN Obesity White Paper

Take Action:

- [Share Your Opinion on Legislative Bills](#): A quick and easy way to share your opinions on legislative bills.
- [Children’s Advocacy Alliance Action Center](#): Register to get action alerts on bills related to children’s health, safety and education.
- [American Heart Association’s You’re the Cure Network](#): AHA’s advocacy network and website to support heart-healthy and stroke-smart communities.
- [Children’s Week at the Legislature](#): Learn how you can get involved in Children’s Week at the Legislature to help strengthen families in areas such as school readiness, children’s physical and mental health and child safety and security.
