

2021 Advocacy Resources

Bill Tracking:

- [Nevada Legislature Personalized Legislative Tracking \(PLT\)](#): PLT allows you to subscribe to BDRs, bills, and budgets that are of interest to you and subsequently tag and create notes. You will also receive immediate notifications of hearings, a daily status notification, and have access to tailored, exportable reports for the subscriptions you have chosen to track. The service is free.
- [Children's Bill Tracking List](#): Nevada Institute for Children's Research and Policy Tracking list of bills related to children's health, education, safety, economic well-being and other categories.
- [Children's Advocacy Alliance Bill and Bill Draft Request Tracking](#): Tracking list of bills related to children's school readiness, health, safety and economic well-being.
- [Nevada Legislature Calendar of Meetings](#): Daily Schedule of Legislative Committee Meetings and Floor Sessions

Who is My Legislator and How Do I Contact Them?:

- [Who is my Legislator and what district do I live in](#): Find out your Senate and Assembly Districts as well as who your representatives are.
- [Contact your Senator](#) : Contact information for your State Senator.
- [Contact your Assemblyperson](#) : Contact information for you State Assemblyperson.

Data and Information:

- [Partners for a Healthy Nevada Obesity Fact Sheet](#): Updated for 2021 to include the most recent obesity data for Southern Nevada.

- [Children’s Advocacy Alliance Children’s Fact Sheet by Senate District](#): The user-friendly fact sheets provide a snapshot of children’s health for each state senate district. Data include health, safety, education and economic well-being data.
- [District Health Profiles – Assembly Districts](#): Developed by the Nevada Office of Public Health Informatics and Epidemiology, the profiles are specific to each Assembly district and provide data on key health topics (last updated in 2019).
- [District Health Profiles – Senate Districts](#): Developed by the Nevada Office of Public Health Informatics and Epidemiology, the profiles are specific to each Senate district and provide data on key health topics (last updated in 2019).
- [County Health Profiles](#): Developed by the Nevada Office of Public Health Informatics and Epidemiology, the profiles are specific to each county in Nevada and provide data on key health topics (last updated in 2019).
- [Healthy Southern Nevada](#): Southern Nevada Health District’s health data website.
- [Partners for a Healthy Nevada Advocacy Resources](#): Links to all listed advocacy resources as including the PHN Obesity White Paper (In Advocacy Efforts Section)

Take Action and Participate:

- [Share Your Opinion on Legislative Bills](#): A quick and easy way to share your opinions on bills with legislators.
- [View and participate in legislative meetings or hearings](#). Visit the legislature webpage and click on ‘**View Events**’ to livestream or participate. You can also watch meetings on the Nevada Legislature’s YouTube channel (link available on the page).
- [Nevada Legislature Events](#): Watch or participate in online legislative meetings and hearings.
- [Children’s Advocacy Alliance Action Center](#): Register to help support efforts benefitting children and families in Nevada.
- [American Heart Association’s You’re the Cure Network](#): AHA’s advocacy network and website to support heart-healthy and stroke-smart communities.
